

JC1 Subject Registration Briefing

3 February, 2023
Mr Tan Jek Suan (VP, Student Development)

A silhouette of a person in mid-jump, arms and legs spread wide, crossing a gap between two dark, jagged cliffs. The background is a dramatic sky at sunset or sunrise, with a bright sun low on the horizon creating a golden glow and scattered clouds. The words "Lift Off" and "Landing" are written in orange text on either side of the jumper.

**FINAL
CHOICE**

Your success starts with the most suitable subject combination

Your final option of subject combination should take into account:

- Your level of **interest** in the subjects. Do pay close attention to the subject briefings, as well as the various resources available to guide you in your decision. Use the Matriculation week well to experience the various subjects first hand, and to ascertain your own interests in the subject(s).
- A good starting point in making your decision would be to consider your talents, interests, and aspirations.
- Refer also to the **University Prerequisites** of possible degree choices which may lead to **Career** options you are interested in.
- Understand more by listening and speaking to your **Teachers and Seniors**.

Choosing a Suitable Subject Combination

Use this structured website to guide you through the process

<https://go.gov.sg/cjc-potentialdev>

**Begin with the End in Mind - (2) Checking Up University Course Requirements**

Having identified potential careers of interest, consider the following:

1. Which **University Course** do I need to do to get there?
2. Which **University** (local or overseas) offers it?
3. Does my preferred University Course have **prerequisite 'A' level subjects**?
 - Do not assume that you know what is the prerequisite 'A' level subject for your preferred course. (Eg. A"-level Biology is not a prerequisite for studying Medicine in the National University of Singapore. The requirement is actually H2 Chemistry + Either H2 Physics or Biology.)

Information on Local University Courses (Updated 2022)

The handbook below presents key '**Information on Local University Courses**'. This document allows you to see what are the 'A' level subject requirements for your desired University Course. Further information and details can be obtained via the websites of the respective universities.

Information on Local University Courses

NUS • NTU • SMU • SUTD • SIT • SUSS

Explore the websites of the various local universities to find out the prerequisites of your possible degree choices

Seniors' Sharing Session (Recorded)

As part of the college's efforts to guide you in your selection of subject combination, we have invited some of your seniors from both the Arts and Science streams to share their experiences with you, including:

- **Why** they are pursuing this subject combination
- Key **areas of learning**
- Challenges they faced and **how they have overcome these challenges**

Listen to your seniors' sharing to learn more of their decision-making process in choosing their subjects

Sharing by Beatrice (H2 Geog, Econs, Lit, and H1 Math)

Sharing by Gwen (H2 Biology, Chemistry, Math, and H1 Econs)

**FINAL
CHOICE**

Requirements & Criteria

Requirements for A-Levels

- Normal combination of subjects
 - 3 H2 and 1 H1 content-based subjects (at least one of which must be from a contrasting discipline)
 - H1 General Paper (GP) [over 2 years]
 - H1 Project Work (PW) [examined in October/November]
 - H1 MTL [examined in October/November]
- Contrasting Discipline
 - Mathematics & Science: Bio, Chem, Phy, Maths
 - Humanities & the Arts: Econs, ELL, Geog, Hist & Lit

Example of Subject Combination

Science:

3 x H2 Maths
 Phy
 Chem
H1 Econs
 (contrasting)

Humanities:

3 x H2 Literature
 Economics
 Geography
H1 Maths
 (contrasting)

Stretch Options

- **Four H2 subjects (L1R5 raw score ≤ 10):**
 - 4 H2 + GP + PW + MTL
- **H3 :** Students may offer a H3 subject in J2 if they have the passion and aptitude, and have done CONSISTENTLY well for the corresponding subject at H2 Level in JC1.
 - 3 H2 + H1 + GP + PW + MTL + H3 (in J2)
 - 4 H2 + GP + PW + MTL + H3 (in J2)
- **Ignite Programme:** CJC's Signature Programme deepening critical thinking and intellectual curiosity.
Attend the briefing at 3pm in the PAC, if you are interested to know more.

Choosing your Subject Combination

Please refer to the website via the link given below to guide you through the process of selecting your subject combination

<https://go.gov.sg/jc1-subj-select>

Namely, do take into consideration the following when deciding on your subject combination:

- Your level of interest in the subjects
- Your talents & aspirations
- The University Prerequisites of your possible degree choices
- Understand more by listening and speaking to your seniors and our Education & Career Guidance Counselor

Choosing your Subject Combination

- **COMBINATION CHOICE**

- Study requirements carefully
- Posting to a subject combination is subject to the student's **knowledge and understanding** of the relevant subject(s) at O-Level, the **performance** in the subject(s) and **availability of vacancies**

- **ARTS or SCIENCE?**

- Are you eligible for the subject?
 - From Science to Arts (*availability of vacancies, meets Arts COP & criteria*)
 - From Arts to Science (*availability of vacancies, **meets Science COP** & criteria*)

Choosing your Subject Combination

To find out more about the subjects and programmes, please refer to the link below:

<https://go.gov.sg/subject-information>

This microsite also provides details of

- Subject Combinations
- College's Signature Programmes
- Department and Subject Information; including Microlesson(s) to give you an experience of the subject matter, complexity and learning approach of the subject

Subject Specific Requirements

- The **Indicative Grade Cut-off** provides an indication of the lowest grade scored in the relevant O-Level subject by the majority of students who were offered the A-Level subject / combination in 2021/2022.

Subject Specific Requirements

- **Geography/History/Economics/Literature:**
 - No prerequisite, have interest in the subject, be able to write well
- **English Language & Linguistics (ELL):**
 - Pass the selection test
 - **Indicative Grade Cut-off** is A2 for English Language
 - If offered, H2 ELL may be used to replace one H2 subject (except H2 Math) from the Arts Subject Combinations . H2 ELL can also be offered as the 4th H2 subject for Science Combinations
 - Attend the briefing at 3pm @ PAC

Subject Specific Requirements

- **H2 Math**

- Students who intend to offer H2 Math are assumed to have knowledge of Additional Mathematics at O-level
- **Indicative Grade Cut-off** is B3 for Additional Mathematics

- **H2 Physics**

- Students who intend to offer H2 Phy are assumed to have knowledge and understanding of Physics at O-level, either as a single subject or as part of a Combined Science course
- **Indicative Grade Cut-off** is B3 for Physics or A2 for Combined Science (with Physics)

Subject Specific Requirements

- **H2 Chemistry**

- Students who intend to offer H2 Chem are assumed to have knowledge and understanding of Chemistry at O-level, either as a single subject or as part of a Combined Science course
- **Indicative Grade Cut-off** is B3 for Chemistry or B3 for Combined Science (with Chemistry)

- **H2 Biology**

- Students who intend to offer H2 Bio are assumed to have knowledge and understanding of Biology at O-level, either as a single subject or as part of a Combined Science course
- **Indicative Grade Cut-off** is B4 for Biology or B3 for Combined Science (with Biology)

Subject Specific Requirements

What if I did not take Additional Mathematics (Add Maths) at O-levels but intend to take H2 Maths?

- Placement is based on your prior knowledge of Add Maths and the performance in the subject at O-level.
- If you did not take Add Maths at O-Level, you are advised to sit for a readiness assessment to gauge your suitability for the subject. [Should you have further questions, you can attend the briefing session @LT2, 3pm.](#)
- H2 Maths requires strong algebraic skills, ability to deal with higher proportion of abstract symbols and applying problem solving skills.
- Need to consider carefully the rationale for studying H2 Maths

Subject Specific Requirements

What if I took only the O-Level Combined Science without any other Pure Sciences but intend to take a double Science subject combination?

- Placement is based on your prior knowledge of the relevant Science subject(s) and the performance in the subject(s) at O-level.
- The chances of you being offered a double H2 Science subject combination (e.g. H2 Chem & H2 Phy or H2 Bio & H2 Chem) will be low. Should you have further questions, you can attend the briefing session @LT2, 3pm.

Subject Specific Requirements

What if I do not meet the specific requirements because of certain circumstances?

- You may appeal for special consideration
- There will be a briefing @LT2, 3pm.

Mother Tongue Language (MTL) Admin Matters

All JC1 students are required to take H1MTL or MTB, except those who

- Are exempted from taking MTL (**approved by MOE**)
- Take Foreign Languages (i.e. *FL- H1 French/ German/ Japanese*) or Non Tamil Indian Languages (NTIL) in-lieu of MTL (**approved by MOE**)
- Obtained D7 or better in O-Level Higher MTL

As Burmese & Thai are not offered at A-level, students who have been granted approval to take Burmese & Thai at O-level will have to apply for MT exemption at A level.

Please submit the following to the General Office by 8 Feb 2023:

Parent's letter (addressed to Ms Lee Ting Ting, HOD/MTL, CJC).

Please state your name and contact number in the letter.

First MTL lesson 10 Feb 2023 — ALL students must attend (report to PAC according to your class timetable)

H1 FL/NTIL in-lieu-of MTL

- All students taking Foreign Languages/Non-Tamil Indian Languages **MUST** have applied for and been given formal MOE approval for this.
- All JC1 students taking H1 FL (French/ German/ Japanese) and NTIL (Bengali/ Hindi/ Punjabi/ Urdu /Gujarati) will **have to register for the FL/NTIL classes at the respective language centres (where applicable).**
- **For students who attended Sec 4 French/ German/ Japanese (in-lieu of MTL or as 3rd Lang) classes at MOELC, You are reminded to refer to MOELC website for instruction on how to register (Under Home Page “ What’s New”). Registration will open from Fri 3 Feb to Tues 7 Feb (closes at 5pm sharp).**
Admission to MOELC is subject to factors such as availability of vacancies.

H1 FL in-lieu-of MTL

Students who are **not** studying in MOELC/ waiting for MOELC registration outcome:

- **You are expected to** make the arrangements to study the approved language privately (e.g. private language centers or private tutors).
- You must provide the relevant details and evidence to HOD/MTL (e.g. enrolment slip for the private language centre).

Those who wish to apply for a place in MOE Language Centre (MOELC):

—Application will be done through College. Please submit the following to the General Office **by 8 Feb 2023:**

Parent's letter (addressed to Ms Lee Ting Ting, HOD/MTL, CJC). Include your name and contact number in the letter.

—**Admission to MOELC is considered only if there is a vacancy and if students are selected to sit for the admission test. Admission will be based on test results due to the limited number of vacancies.**

- Foreign Languages & NTIL students: All students are to submit the relevant information required to HOD MTL.
HOD MTL will contact you soon about it.

- First-time applications for MTL Exemption / MTB:

Application will be done through College. Please submit the following to the General Office **by 8 Feb 2023:**

- Parent's letter (addressed to Ms Lee Ting Ting, HOD/MTL, CJC). Please state your name and contact number in the letter.
- Copies of school results (Sec 3 and 4), PSLE and 'O' Level certificates and other relevant documents where applicable (e.g. medical report).

Any enquiries/clarifications

- Ms Lee Ting Ting HOD/MTL (Ext 39)**
- Mdm Hanisah ST/ML (Ext 713)**

coherently**

**Curious
about
current
world
issues**

Well Read

Self Directed

Literature in English

Literature

- **What A-Level Literature is not**: not a reading circle; not a club to talk about feelings.
- **What A-Level Literature is**: analysis of literary techniques and effects to make sense of texts.
- **Do not take Literature if**: you struggle to read and write in English; will not read your texts; think it is a “soft subject”, “easy to score in”, etc. We will prove you wrong every single day.
- **Do take Literature if**: you are willing to think critically, participate actively, read your texts, and wrestle with ambiguity and abstraction.
- **H2s**: 5 texts; **H1s**: 2 texts. Poetry is inescapable.
- List of texts: <https://cjc.moe.edu.sg/education/humanities/literature-in-english>
- **Note**: O-Level Literature is not a prerequisite.

Mathematics

H1 Maths or H2 Maths?

This should not be the first question

- As the JC course is a stepping stone to the University, the question should be “What course do I intend to take in the University? What are my strengths and weaknesses?

This is key in helping you to decide the choice.

- Take time to access the various University websites for the courses and check if they require H1 Maths or H2 Maths. **Many science-based courses only require a pass or a good pass in H1 Maths. Examples include computer science (NUS), information security, biomedical and maritime studies(NTU). Your decision should be based on updated facts.**
- The H1 mathematics course assumes that students have knowledge of O-level Mathematics;
- The H2 Mathematics course assumes that students have knowledge of O-level Additional Mathematics and so it is a more rigorous course;
- The H3 Mathematics course is an extension of H2 mathematics and must be taken together with H2 mathematics.

For all students taking H2 Math only:

1. Assumed Knowledge Notes

- Approximately **\$0.80** per copy.

2. Lecture Notes: **Vectors (Basic)**

- Approximately **\$1.30** per copy.
- Order **by OG** at Photocopying shop.
- Can collect anytime between **3rd Feb and 9 Feb.**

GC Sales: **14 February, Tuesday**

- Venue **PAC Cave** (next to Car Park).
- Go **by class** at the **allocated slots (10am-3.30pm)**.
- Payment either by
 1. **Cash** – in **exact notes**, OR
 2. **Cheque** – payable to **Learning Interactive Pte Ltd**, write **student's name/class/drawee's contact no** on the **reverse side** of the cheque, OR
 3. **PayNow** - needs to be done by **student's own phone** while present **at booth counter**.
(not through third-party's phone)

For all students taking H1 and H2 Maths: Graphing Calculators (G.C.)

- You only have **one day** to purchase your GC at this promotional price **\$175**.

TI-84 Plus CE Python
Price: \$175

CJC Ignite Programme

Note: owing to the scarcity of time in this briefing, only an executive summary has been provided. There is much more to be shared. Attend the 3-4.30pm briefing at PAC after this briefing if **interested**. A little time spent can earn you a lot more knowledge and awareness

What is the Ignite Programme?

- A **talent development programme** challenging students to think critically and creatively with social consciousness
- Grounded in **interdisciplinary thinking**, fostered by inquiry-led, problem-based, and concept-driven teaching and learning.
- Achieved through **milestone programmes** and **intellectual challenges** in lessons
- Find out more at **go.gov.sg/CJC-IGNITE**

Find out more at the briefing today

- Want to know more? **ATTEND THE BRIEFING AT 3pm by Ms Celestine Hang**
- Interested to apply? (*First—attend the briefing*)
 - Anyone can apply. Note: successful ELL applicants will automatically be enrolled in Ignite
 - You need to attend a selection test at **2:15pm on 6 Feb (Mon)**, at the **PAC (Ignite Science) / LT2 (Ignite Arts and Ignite ELL)**.
 - You must register at **CJ Portal** before the test (More details at the briefing)
 - Some students may be called up for an interview. If so: you will be assigned a slot between 5pm-6:30pm on 8 Feb (Wed). Keep that time slot free!

Subject Registration @CJC Portal

Administration Briefing 2023

Online Subject Registration Exercise

- Login URL will be made available on the college's website <https://cjc.moe.edu.sg/>
- Subject Registration will be online from:
3pm on 3 Feb (Friday)
To
9am on 6 Feb (Monday)
- Students without internet access at home can do so in the CJC Library (To seek help from the Librarian)
- Remember your User Name and Password. You will also need it for **CCA Selection** soon.

Course Registration (1)

Curriculum > Course Registration

Step 1 - Instructions

Welcome to course registration system.

The system is now open for selection of subject combination and mother tongue language. The deadline for registration is **11:59 PM, 08 February 2022**

If you fail to select the subject combination / mother tongue language, you may be offered subjects that are not of your choice.

A You must follow the steps in sequence. You will NOT be able to choose subject combination or mother tongue language if you have not completed the preceding steps.

B You may also view the list of available subjects and subject combinations based on your stream, intake category, elective programme status and O-Level examination results:

A-LEVEL COURSE REQUIREMENTS

The GCE A-Level curriculum requires students to undertake the following subjects:

Check Subjects available to you

Check Combinations available to you

4 relevant O-Level subjects are eligible to take 4 H2 content-based subjects, of which at least one must be from a contrasting discipline. Students who offered Mother Tongue B Syllabus (MTB) at O-Level will continue with MTB at GCE A-Level. with another content subject.

Course Registration (8-4) - Advisory

The screenshot shows a web interface for course registration. A modal window is open, displaying the following text:

S3/H1ELIT (H1ELIT H2CHEM H2BIO H2MATH)

H2 BIOLOGY - Students are advised to have obtained B4 or better for Biology at 'O' level or B3 or better for Combined Science with Biology at 'O' level

Close

A red arrow points from the advisory message to a blue box at the bottom right of the slide.

The background interface includes sections for "My First Choice of Subject Combinations" and "My Second Choice of Subject Combinations". Under "My Second Choice", there is a "Subject Combination Group" labeled "S3 (H2CHEM H2BIO H2MATH)" and a "Subject Combination *" labeled "S3/H1ELIT (H1ELIT H2CHEM H2BIO H2MATH): H1 LITERATURE".

You will get an Advisory if your relevant O-Level subjects do not meet the recommended grade for that Subject Choice
