Thinker with a Mission Leader with a Heart

Riding the Waves of Change in 2020

Staff and students overcame the hurdles of Circuit Breaker and Safe Management Measures through a spirit of continuous innovation and learning.

Whole-School Approach for Safe Management Measures to keep the College community safe.

Academic Learning Support during Home-Based Learning

Full Home-Based Learning (HBL) was supported by

- Customised timetable for synchronous and asynchronous lessons (both levels)
- Online Lesson units on Student Learning Space (SLS)
- e-platforms like Office 365, Google classroom, Padlet
- Online consultations
- Video-recorded lectures
- Resources on Student Learning Space
- Innovative pedagogies for engaged learning e.g. Kahoot quizzes

E-CCA

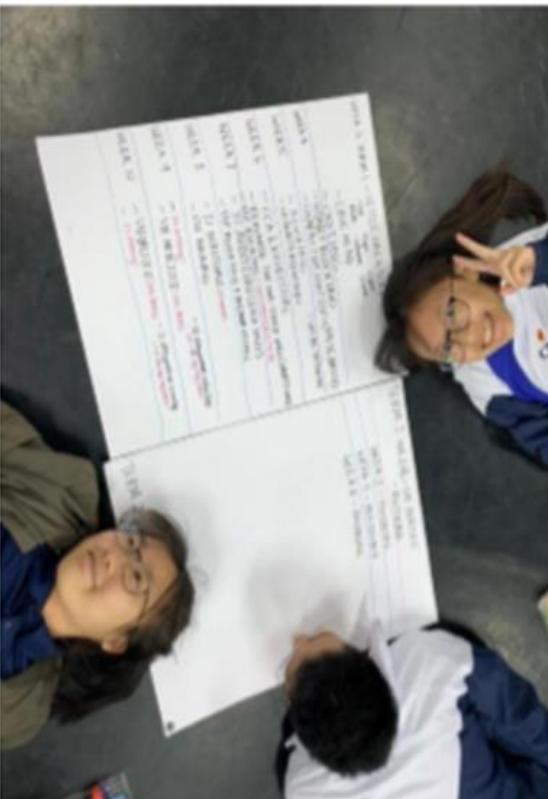

- With SMM, CCAs went online, with teacher/ student leaders-led sessions in Term 2 and sessions with coaches/instructors in Term 3.
- Leadership renewal was also done online with much adaptation in nomination and election processes.

Drama Online – Students took the lead to train their Juniors

Shared Vision → Actionable Plans → Platform(s)

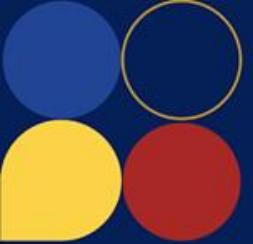

- Inherit the legacy (Stories)
- Student autonomy (Choice → Responsibility)
- Inspect what you expect (Conversations)
- (Real) opportunities for enactment

Moving Forward in 2021

Safe Management Measures in Phase 3

- Schools will continue with the current Safe Entry process for students and staff
- **JC 2 Arrival time** – JC2 students are highly encouraged to come to college earlier at 8.15am so as to stagger their arrival time. Students can do self-study in classroom and prepare for the day's lessons.
- **Classroom arrangements** - Groupwork of up to 8 students during lessons will be allowed while keeping to the fixed seating plan and with masks worn
- **Outside classroom arrangements** - Groupwork should be kept to up to 8 students from the same class. E.g. Project discussions.
- **Recess Arrangements** – Students are to continue to sit within their class and House while consuming their meals. Students are not to sit in areas marked with “X”. Up to 6 students from the same class may sit together as a group with sufficient safe distancing. Students are to follow the queue markers at all times. All students are encouraged to bring food from home and consume their meals outside the canteen. E.g. Study areas and Home Room.

Safe Management Measures in Phase 3

PE Lessons

- Lessons will be conducted by individual classes
- Group activities within class of up to 8 pax per group
- Sufficient spacing in between students (2 m) and between groups (3 m)
with mask to be worn at all times except when activities are conducted –
Teachers will direct when it is ok to take off mask

Safe Management Measures in Phase 3

Co-Curricular Activities (CCAs)

- CCA-based Safe distancing to be observed during activities i.e. 1m between students (2m for Physical Activities) and 1m between groups (3m for Physical Activities)
- Group activities should be conducted in small groups of up to 8 pax, within overall activity cap of 50 (include students, teachers and instructors/coaches)
- Mask to be worn at all times except when activities are conducted – teachers/instructors/coaches will direct when it is ok to take off mask
- CCA teachers to be present at all times to ensure adherence to SMM
- There are specific SMM for the following CCAs: Physical Sports, Performing Arts and Oratorical Society. Respective CCA teachers will brief their students accordingly.

Academic Programmes

Supporting your child to excel

Blended Learning in 2021

- **Phased approach** to promote student self-directed learning and prepare them for the future
 - From Term 1, online lectures after school curriculum (Chemistry and Economics)
 - From Term 3, we plan to have Home-Based Learning. We will inform you nearer the date of its roll out.

Helping your Child Excel

- **Critical Thinking** is emphasised across departments – we need your child to participate actively (prepare for lessons, be open to different perspectives and ask when in doubt)
- **Assessment to check learning & feedback to students** – we need your child to take these assessment and feedback seriously and act on them
- **Differentiated programmes** e.g. consultation & stretch programmes - we need your child to seize the opportunities
- **Leveraging ICT** e.g. Flip classroom/Team-based Learning, concepts/lecture videos, pre-lab preparation, resources - we need your child to access these resources as part of self-directed learning

Support Structures

- Target setting for JC2 students in Term 1
- Foundation programmes for students who didn't do well in JC1 Promotional Exams e.g. Advanced students
- Subject-based revision/enrichment programmes
- Subject Banding
- Block-out periods for consultation/remedial sessions
- Supplementary lessons (early March holidays)
- Last day for CCAs – 4 June 2021
- Intensive revision starting from Term 3

Support Structures

- Home Tutors establish contact with parents to provide necessary support
- Post-Graduation consultation period leading to 'A' Level Examinations
- Supervised Night Study
 - 26 April to 21 May
 - 28 to 30 June
 - 2 to 31 August
 - 13 September to 1 October

Assessment for Learning in 2021

- **Assessment milestones for JC2 cohort**
 - Mid-year Exam moved later to 17 May 2021
 - Preliminary Exams continue to begin in Aug and straddle the Sep break
 - Difficulty level will be pitched appropriately with advice from MOE
- **Differentiated Instruction**
 - Banding the cohort
 - Differentiated levels of support
- **Science Practicals**
 - Rehearsal exercises for additional practice
- **Humanities**
 - Collaborative writing strategies online

Co-Curriculum Activities 2021

2021 CCA

1. CCA frequency and duration

- CCA to begin from T1W2 onwards.
- Frequency and duration will return to schools' usual practice with appropriate SMMs

2. Risk-based approach

- Aligned with the latest national posture, most activities where risks can be contained and moderated by SMMs guidelines have been allowed to resume.

2021 CCA

3. CCA can resume in groups of 8 subjected to a maximum of 50 with specific CCA SMM put in place e.g. no. of students, wearing of mask protocol, distance between students and groups, sanitising equipment etc.
4. CCA and school activities involving the following continue to be suspended:

 - a) High level of body contact such as Taekwondo sparring, Rugby scrum and tackle; and
 - b) Overnight camps.

2021 CCA – SYF and National Games

Singapore Youth Festival 2021

Participating schools have the option to be benchmarked for Arts Presentation certification on their performance on an opt-in basis and will get feedback from adjudicators. Participating students will be recognised in LEAPS 2.0 under ‘special provision’ regardless of the CCA group’s decision to opt for AP certification or not.

‘A’ Division Sports 2021

The Ministry of Health announced on Friday (Jan 22) that the start of the National School Games (NSG), originally slated for February, will be postponed.

Academic Stretch Programmes 2021

Humanities Department Stretch Programmes

- Academic Immersion Exchange Programme with Tran Phu High School (History)
- Virtual Geographical Investigation for Geography
- URA Challenge for the Urban Built Environment (CUBE)

English Department Stretch Programmes

Literature

1. *Creative Arts Program* for budding writers at the national level.
2. *Litera* for students to experience the joy of literary creation and imagination through adaptations.

Guiding Principles

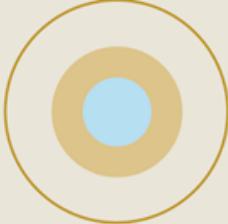

The CJC student is **responsible** in thought and action.

We believe that all CJC students have the **potential** for positive change.

The CJC student exudes **self-discipline**, personal and social **responsibility** in the pursuit of his or her goals.

As part of a safe and conducive learning community, he or she respects the college's **rules and regulations**, as well as the **rights** of other individuals.

The CJC student is **committed to doing good** and makes amends for inappropriate actions.

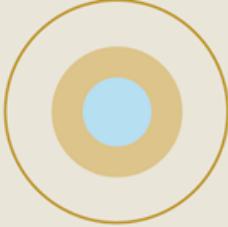

Strong Support System

Home Tutor (HT) as main point of contact for overall student matters

Subject Tutor (ST) as main point of contact for subject specific matters

For general enquiries can contact General Office at 6252 4083/4 or
email at catholic_jc@moe.edu.sg

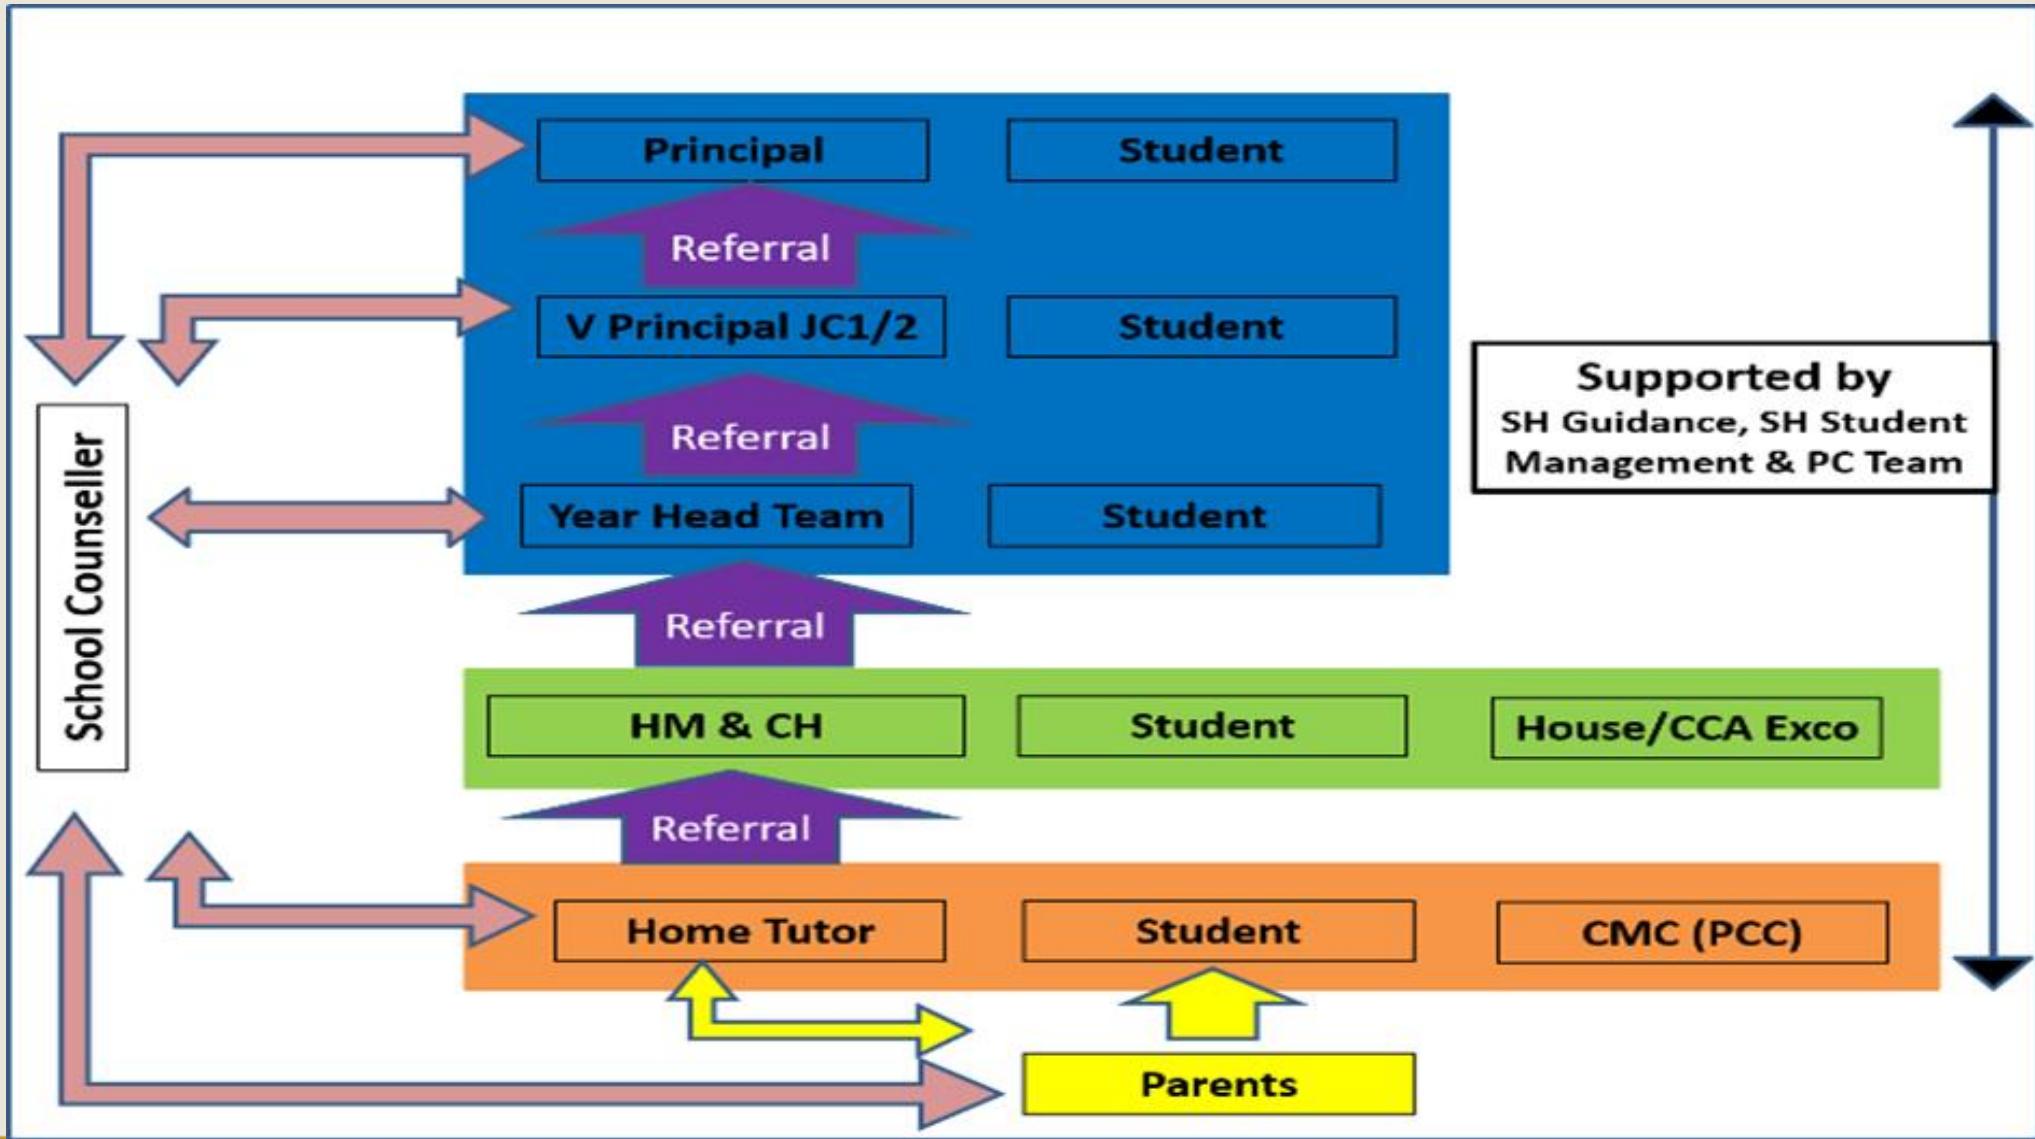

Tiered Referral System
